Our main activities are:

Saikripa's beneficiaries are abandoned, parentless and underprivileged children, youths and women from slums and villages.

E. Description of the Project for which Support is needed:

Sai Shiksha Sansthan, a co- educational English medium secondary school in village Wazidpur Sector 134, Noida started from nursery to class II in the year 1991 with a subsidized fee of Rs 35/- per child with just 80 children, has now grown to be a secondary level school with about **450 children in strength**. The heavily subsidized fee of Rs 35/- per month has been progressively increased to Rs. 500/- over the years. The children from 'Below Poverty Line' families are given free education. It is notable that the same kind of education is given in this school as given in the other private schools on a fee ranging up to Rs.3500/- p.m. So far 16 batches have successfully completed their 10th Std.

F. Need for the Project:

Saikripa is in possession of two buses out of which one has attained expiry period as per the rules framed by Transport Authorities.

Hence, another **School Bus of 40 seater capacity** is needed in replacement of the above to commute the children from Balkutir, other places in NOIDA and from villages around School. It is necessary that they are picked up to enable the regular attendance and to reach the school in time. The service is free as all these children are underprivileged.

G. Outcome of the Support:

This will enable the underprivileged children to pursue their education without any problem in accessing the school with much ease with regard to the transport since there is no public transport available.

H. Estimated Budget:

Estimated budget for the purchase of 40-seater school Bus is around Rs. 1500,000.00/- (Fifteen Lakhs only).
